What is a Reality Tour?

Coordinated by:

Reality Tour® Registration Form SUMMER 2019

The Reality Tour® is a drug awareness and prevention program that takes you into the life experiences of a teen addicted to heroin. It's an experience that will create a lasting impact on all who attend.

A great way for adults to start the conversation with youth about alcohol, tobacco, and other drug use!

The Reality Tour® includes:

- ↳ Dramatic scenes that depict an arrest and imprisonment, an emergency room overdose, and a funeral.
- ↳ Informative and interactive discussions about types of drugs and addiction.
- ↳ Local information regarding drug and alcohol trends in Indiana County, PA.
- ↳ Youth learn about various peer pressure refusal skills.
- ↳ Questions and answers with people in recovery and law enforcement officials.
- ↳ Youth will have a "mug shot" taken that will be morphed to show how drugs affect physical appearance.

REALITY TOUR® is the property of CANDLE, Inc., a 501 (c) (3) non-profit organization (www.candleinc.org).
