

Teen Scene is a mock bedroom program designed to educate adults who care for youth about:

- Signs and Symptoms of Drug Use**
Including a large walk through bedroom display of more than 50 objects to look for in a teenager's bedroom.
- Current Drug Trends**
Learn what is happening in your community and what trends are on the horizon.
- Resources In Your Hands**
Learn what to say and do to prevent drug abuse. Learn how to intervene when drug abuse is suspected.

Who should attend?

Parents, Guardians, Grandparents, Teachers, School Staff, Child Services Staff, Healthcare Personnel. *Children advised NOT to attend.*

This free, educational program is available to travel to Armstrong, Indiana, and Clarion counties for meetings and events!

Available at your request!

Maximizing Resources... Empowering Change

Here's what others have to say about our program:

"A lot of time and effort and knowledge has been put into such a wonderful presentation. The Speaker was excellent, very thorough and very educated in the signs and effects of drugs and alcohol in the field."

"Excellent, Informative, To the Point!"
"I was clueless before the presentation."

"I viewed this program during an in-service last year. I found this presentation equally interesting and a definite must-see for any parent of a teen or teacher of teens."
